

South West Peninsula Spring Rally 2018, Saturday April 7th

An enjoyable, one day road rally organised by Somerset Advanced Motorcyclists (SAM) which involves plotting a route throughout the South West Peninsula, covering Wiltshire, Somerset, Devon and Cornwall, collecting answers to clues on your travels. It will require some navigational skills, mental dexterity and observational ability, but, above all, it is designed to be a fun event for all Riders on two or three wheels. Rally entry fees for Riders include a hot evening meal, a commemorative Rally mug and a Rally certificate.

The aim of the South West Peninsula Spring Rally is for Riders to plan a route visiting manned and unmanned checkpoints. You will receive the locations of ALL the checkpoints approximately 2 weeks before the date of the Rally, giving you plenty of time to plan your route. At manned checkpoints general bike-related questions will need to be answered and your Rally Control Card stamped, at unmanned checkpoints you'll find the answers to over 60 clues you will receive on the morning of the Rally. Your correct answers and total checkpoints decide the award achieved.

This is not a race; think of it as a giant treasure hunt!
