Other ways you can help support your section

New faces are always welcome to help organise runs, we are an extremely active group and welcome fresh talents and ideas. No prior experience required, you will be offered support and assistance in planning the route. For our larger events and shows, help is always required to direct parking, setting up etc. If you feel able to help with these, or any of our other activities, please just enter your name below and somebody from the committee will be in touch shortly.
